

**Seamus Power** the defending champion did not have

a '**Ravens Rock**' to remember last weekend in his native Kilkenny. The **Windgap** man with his daughter **Kat**

**ie**

were forced to retire after the first loop with clutch problems in their Mk11 but there was one good out come from the event as he retains the lead in the

**TRITON SHOWERS South East Stages Rally Championship**

**Paschal O'Shea**

also holds on to his second place in the championship.

From what I saw of Paschal yesterday he is a man of many talents and we can now add singing to his

**repertoire**

. He made a lot of Welsh friends yesterday and one or two said he had the voice of an angel.

**Back**

to the important news and the championship leaderboard. The

**BIG**

**John Murphy**

as he and his co driver

**Niall Fitzpatrick**

have moved from 5th in the table to share second place with Paschal on

**56 points.**

**Mick Nevin and David Forde**

are now in

**4th**

and Co. Cork's

**Ray Benskin**

(Jnr) with

**Ollie Kierce**

calling the note now hold
